It's Appendix A-15 in the 9/17//2004 CSM Update (Volume III). Let me know if you don't have it.

Hi Chip

I looked through the Round 2 Report and the CSM documents from 2004 and 2007 and could not find anything on the Premier Edible Oils site. Are they using a different name for the facility? I know you are busy, but if you could point me in the right direction that would be great.

Thanks,

Jennifer
